

“ ANFALAS IS A FONT THAT I CREATED THAT'S ROUGHLY INSPIRED BY / BASED UPON THE HAND DRAWN LATIN SERIF LETTERING FOUND ON THE MIDDLE EARTH MAPS OF J.R.R. TOLKIEN.” IT IS ALSO REMINISCENT OF THE TYPE OF FREEHAND LETTERING DONE FOR EDITORIAL CARTOON CAPTIONS. IT'S A VERY VERSATILE FONT APPLICABLE FOR A WIDE VARIETY OF USES.

THE LETTERING WAS NOT TRACED OR COPIED FROM A SECONDARY SOURCE. I, (BILL ROACH), PERSONALLY DREW EACH ANFALAS FONT CHARACTER IN THIS PACKAGE BY HAND BEFORE DIGITIZING THEM (INCLUDING PUNCTUATION MARKS AND SPECIAL SYMBOLS).

THIS FONT CONTAINS FOREIGN CHARACTERS, PRONUNCIATION CHARACTERS, MATH CHARACTERS, ETC., ETC., AD INFINITUM... AN EXAMPLE OF A COMMON USE: [HTTP://WWW.GOOGLE.COM](http://www.google.com) OR, FAKEEMAILADDY@NOWHERE.ORG .

ANFALAS IS A FLEXIBLE FONT THAT YOU CAN USE EITHER FOR DISPLAY AND TITLING PURPOSES, OR JUST TO WRITE GENERAL TEXT WITH. IT CAN BE SERIOUS AND DRAMATIC, YET PLAYFUL AND LIGHTHEARTED. IT CAN BE CREEPY AND SPOOKY, YET MOD, POPPY, GROOVY, AND UPBEAT. ANFALAS ASSUMES THE FORM AND GENRE OF NEARLY ANYTHING YOU'RE USING IT FOR. IT'S SOMEWHAT QUITE ADAPTIVE.

YOU COULD USE THE ANFALAS FONT FOR THE TITLE WORK OF AN INDIE HORROR MOVIE, OR, YOU COULD JUST AS EASILY USE IT FOR HOMEMADE BIRTHDAY CARDS, ANNOUNCEMENTS, FLIERS, OR HUMOROUS EXPRESSIONS, OR PHOTO CAPTIONS.

YOU CAN USE IT TO MAKE THE LETTERING FOR FANTASY MAPS OR PROP PIRATE MAPS OF YOUR OWN DESIGN, OR YOU CAN USE IT AS THE LETTERING STYLE FOR A DESKTOP PUBLISHED CHILDREN'S BOOK.

YOU COULD USE IT TO PRINT RECIPES OR MENUS, OR TO CAPTION YOUR OWN SATIRICAL OR POLITICAL CARTOONS OR COMIC PANELS.

YOU CAN USE IT FOR SCRAP BOOKING, OR AN INTERESTING FONT FOR MEDIEVAL THEMED WRITINGS OR MEDIEVAL STUDIES.

HERE'S A MAJORITY OF THE AVAILABLE CHARACTERS:
